EPSAN
SPLASH & SPORTS

With effect from 1 May 2018, Epsan Pool Sport & Technics has been taken over by Mrs. Grace Tollenaar.

Mr Philip de la Vieter and Ms Jose van Breda will enjoy their well-deserved retirement.

The new business will take place under the name **Epsan Splash & Sports BV**. With a new company name belongs a new logo and as you can see that worked out nicely!

The acquisition has no consequences for the current team that you are used to having contact with and the business operations will continue to take place from the same location.

With this brand new catalogue, we hope to give you a preview of our optimized range of products. Our personal commitment to our customers remains a priority and we will continue to build on our collaboration.

ABOUT EPSAN SPLASH & SPORTS

ABOUT US

We proudly present you our new catalog with a wide range of swimming pool materials for swimming pools, swimming schools, associations and campsites.

Since 1980 we have been supplying a comprehensive range of swimming pool products throughout Europe. Thanks to our own production line, we can deliver tailor-made products ourselves and thus guarantee the quality of our products.

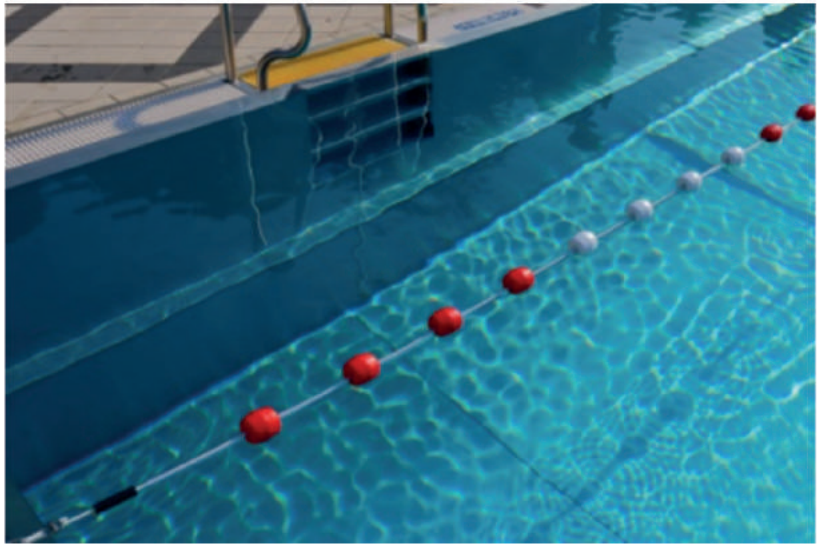
Epsan Splash & Sports stands for quality, fast deliveries, service and personal involvement of our entire team.

This catalog contains a large part of our pool items program. If a product does not appear in this catalog which you would like to order, then you can view our entire range via our website www.epsan.eu.

If you want to place an order, you can do this by email, via our website or, of course, by telephone. Someone from our sales team will then personally assist you to inform you as best as possible when placing your order.

If you have any questions, feel free to contact us - we are gladly to be of your assistence. We hope to be of service to you on behalf of the entire Epsan Splash & Sports team.

1 | SWIMMING LANES
EPSAN
SPLASH & SPORTS



JPP
Multilon, 6 mm rope with stainless steel snap-hooks, simplex-clamps and a regulator.

AVAILABLE COLOURS:

99021 IDEAL COLOUR FLOATING BRIDGE TROLLEY
- 100 x 80 cm
- fitted with 4 castors

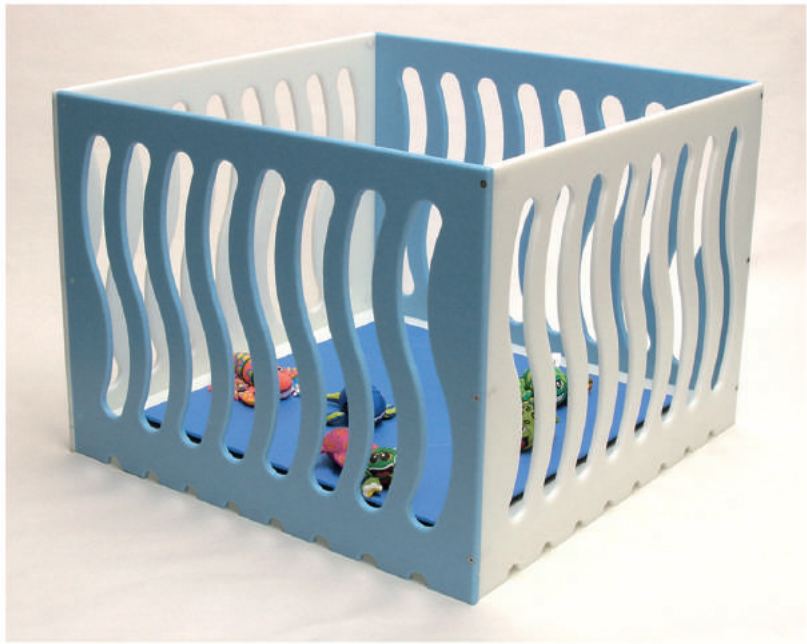
AVAILABLE COLOURS:

82308 SUPER LARGE EQUIPMENT TROLLEY
- size: 125 x 125 x 62cm (wxhxd)
- extra heavy-duty aluminium profile with thick aluminium mesh sides and sliding doors
- fitted with 2 fixed wheels and 2 castors (1 with brake)
- can be locked (lock not included)
- the shelf height can be adjusted to many positions

10578 SUPER GIANT EQUIPMENT TROLLEY
- size: 150 x 147 x 62cm (wxhxd)
- extra heavy-duty aluminium profile with thick aluminium mesh sides and sliding doors
- open compartment on the top
- fitted with 2 fixed wheels and 2 castors (1 with brake)
- can be locked (lock not included)
- the shelf height can be adjusted to many positions

88009 EPSAN XL-LIFE PLAYPEN
Finally a playpen, which is specially designed for intensive use outside the home environment.

- manufactured from heavy, unbreakable high density and high molecular polyethylene
- unaffected by foodstuffs and non-toxic
- UV-protected
- can be easily assembled in a few minutes
- rounded edges for maximum safety
- polyethylene base with drainage holes
- special profile edges keep the base above floor level making it ideal for wet areas
- stands on sturdy legs with special profiled edges
- extremely stable construction as own its weight aids sturdiness
- maintenance free
- easily cleaned with a mild detergent only
- resistant to moisture and dust
- delivery excluding playpen mat
- size: 100 x 100 x 74cm (lxwxh); ideal for several babies



88013 MAGRINI BABY CHANGING UNIT

- made from MDPE with enclosed stainless steel hinge and gas strut closing mechanism
- vertical model
- one handed operation to open and close and will not fall open due to gas strut
- shaped laying surface stops the child rolling away
- resists loads up to 80kg
- easily cleaned
- 545mm width, 860mm height and 140mm depth (stored position) or 830mm depth (in use)

88016 BABY HIGH CHAIR XL-LIFE

- manufactured from heavy, high density, high molecular polyethylene
- unaffected by foodstuffs and non-toxic
- UV protected
- maintenance free
- easily cleaned with a mild detergent only
- resistant to moisture and dust
- 420mm width, 750mm height and 550mm depth

88012 MAGRINI BABY CHANGING UNIT

- made from MDPE with enclosed stainless steel hinge and gas strut closing mechanism
- horizontal model
- one handed operation to open and close and will not fall open due to gas strut
- shaped laying surface stops the child rolling away
- resists loads up to 80kg
- easily cleaned
- 760mm width, 585mm height and 145mm depth (stored position) or 540mm depth (in use)

SELF MOVER SHOWER CHAIR
· separate folding arm rests
· double-braked stainless steel castors (125mm)
· 24" synthetic wheels with brake and side-hoops
· or use in swimming pools we recommend the polished, stainless steel designs with UV resistant epoxy coating

· steel with coating
80982 seat height 540mm, with adjustable and folding foot supports

· stainless steel design in AISI 304 with UV resistant epoxy coating
80986 seat height 540mm, with adjustable and folding foot supports

ASSISTED MOTION SHOWER CHAIR
· separate folding arm rests
· double-braked stainless steel castors (125mm)
· for use in swimming pools we recommend the polished, stainless steel designs with UV resistant epoxy coating
· without foot supports

39004 AQUA FIT MAT
Water mat for yoga practice and fitness.
Dimensions: 220 x 81 x H 12 cm

This floating mat inflates very quickly. It benefits from the double-skin Drop-Stitch technology that gives it maximum rigidity. Covered with anti-slip EVA, it helps to find one's balance.

With their many rings, Aqua fit mats can hook onto each other or between 2 water lines without depth restriction. And for added fitness, just snap-on the water resistance bands.

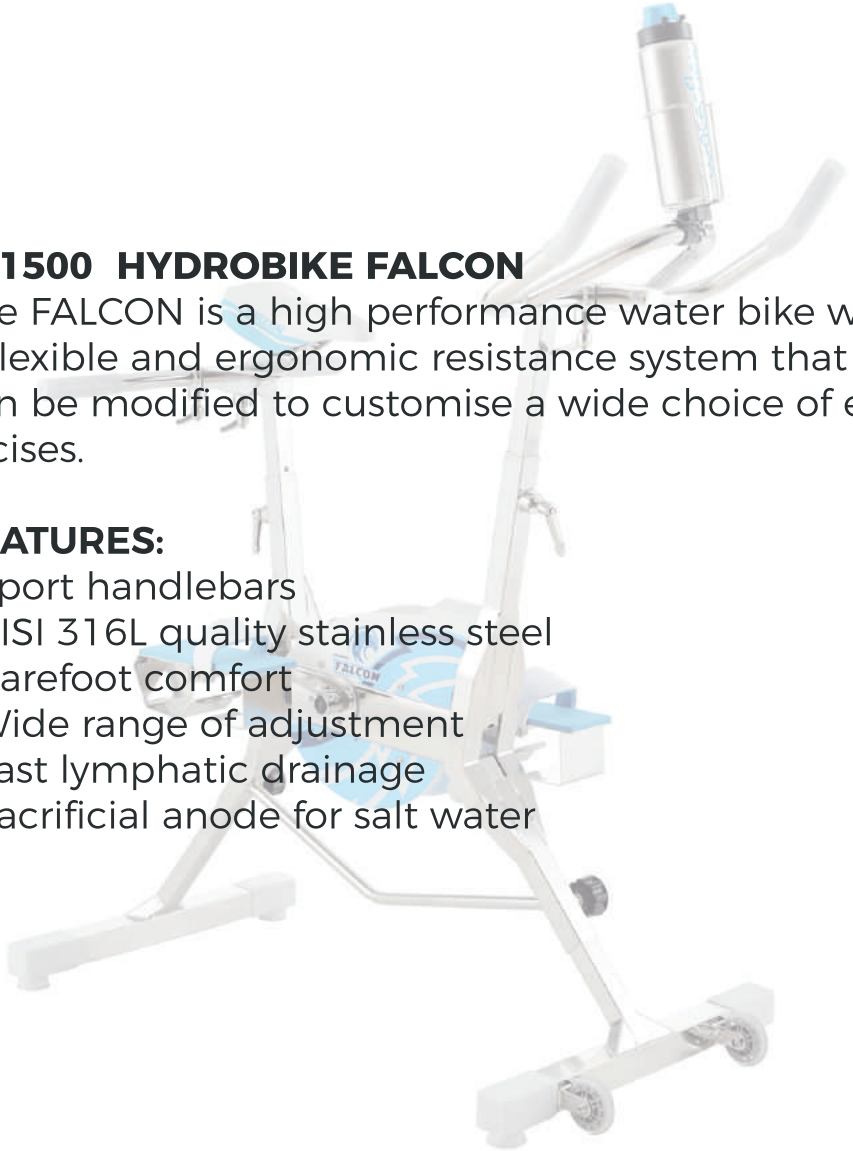
111500 HYDROBIKE FALCON

The FALCON is a high performance water bike with a flexible and ergonomic resistance system that can be modified to customise a wide choice of exercises.

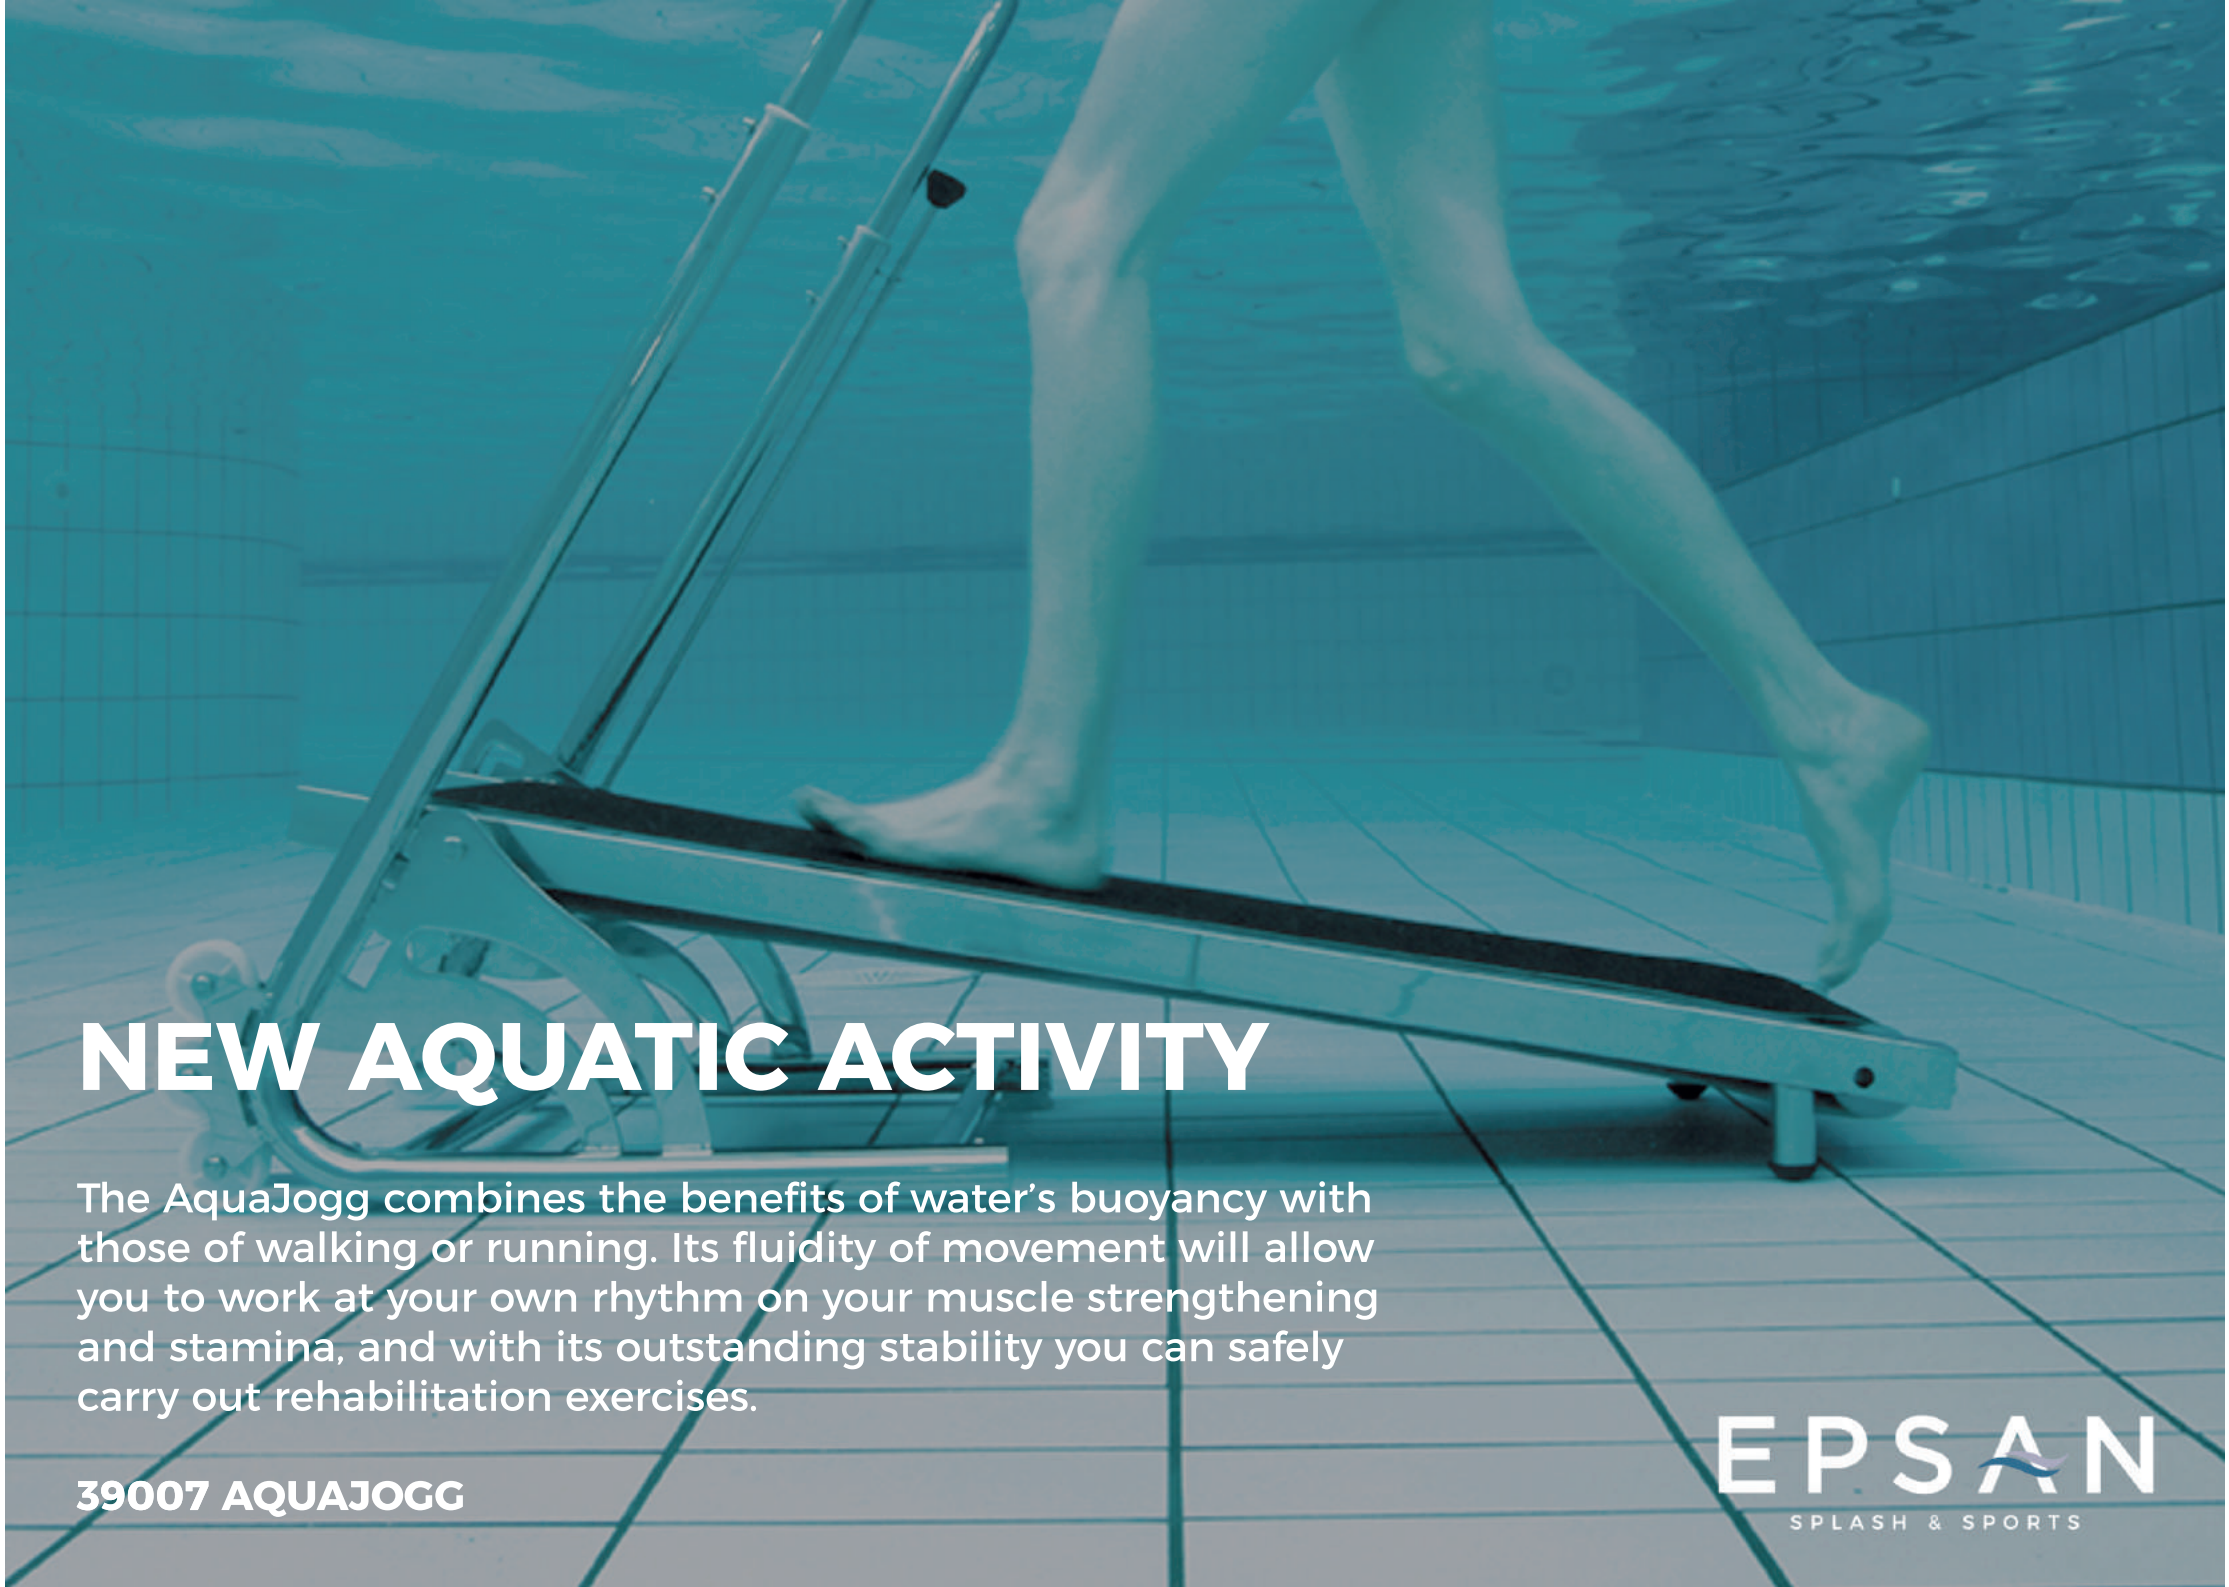


FEATURES:

- Sport handlebars
- AISI 316L quality stainless steel
- Barefoot comfort
- Wide range of adjustment
- Fast lymphatic drainage
- Sacrificial anode for salt water

111505 HYDROBIKE INOBIKE 8
Spinning Pro System New: Gear lever!
The shift lever activates the brake pad to act on the 316L marine-grade stainless steel wheel.
It is thus intuitively very easy to adjust the shift lever and modify the difficulty of the exercise for you to pace yourself.

INOBIKE 8 FEATURES:
- Guidon Sport 45°
- AISI 316L quality stainless steel
- Barefoot comfort
- Precise adjustments
- Fast lymphatic drainage
- Sports performance ergonomics



NEW AQUATIC ACTIVITY

The AquaJogg combines the benefits of water's buoyancy with those of walking or running. Its fluidity of movement will allow you to work at your own rhythm on your muscle strengthening and stamina, and with its outstanding stability you can safely carry out rehabilitation exercises.

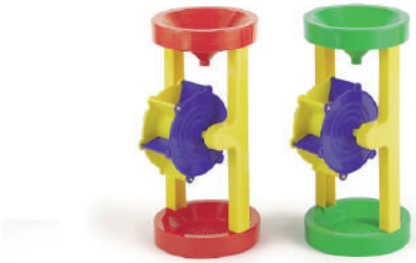
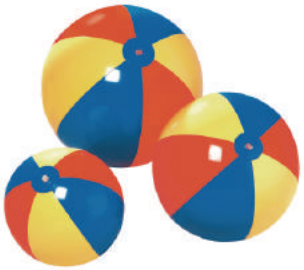
62275	watering can 15cm per piece
62276	boat 15cm 3 per set
62277	bucket 16cm per piece
62278	truck 28cm per piece
23404	scoop & rake 20-23 cm each 1 piece



62321 BABY PLAY SET
· 42 pieces baby toys KIDDYFUN
· 1 truck, 1 watermill, 3 buckets, 4 watering cans,
18 balls assorted & 15 toys assorted



BEACH AND PLAY BALLS
· inflatable ball made from plastic foil
· with 1 air chamber

79063 - 110cm Ø
79050 - 38cm Ø
79051 - 27cm Ø

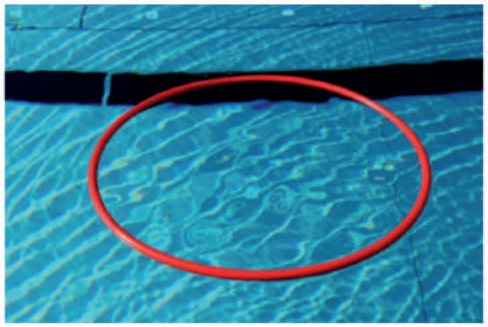
88025 DIVE SET NEOPRENE
· 2 dive sticks,
· 2 dive rings
· 2 tail-balls

62283 DIVING RING TURTLE
· approx 190 gram
· supplied in assorted colours

DIVE RINGS
10686 - 5000g, solid rubber, black

DIVE BRICKS
10688 - 2000g, solid rubber, black

10753 SLALOM DIVING
· 150cm long ribbons
· 8-er set

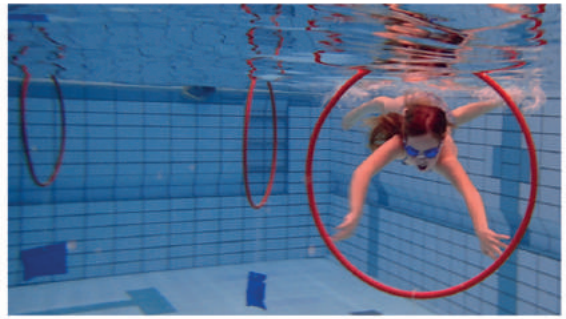


10319 DELPHIN PLAY HOOPS
· floating hoop, approx. 75 cm
· water-resistant polyethylene air filled hoop
· per piece

10761 DIVING FUN
· one hoop floats vertical and one stands upright
· build a tunnel by means of rods and hoop clips
· set of 3 light & 3 heavy hoops,
3 bars & 9 hoops clips.

81114 DIVING HOOP
· heavy hoop which lay flat on the bottom
· approx 75cm

10771 HALF HOOPS WITH WEIGHTED BASE
· stand upright in deep and shallow water
· 4 per set



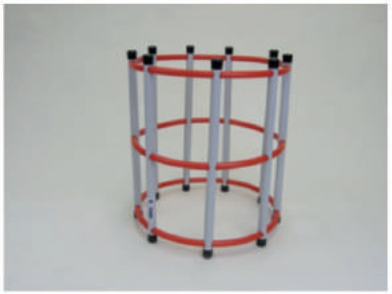
10751 FLIPPER PORPOISE GAME
· the underwater slalom diving game
· large synthetic hoops, weighted and
adjustable cord connections
· 4 per set

10736 WABA SN WATERBASKET
· floating water basket made of hardwearing, virtually indestructible synthetic material
· per piece

10737 WABA FM WATERBASKET
· floating water basket with inflatable ring
· per piece

10759 WATO PLAYGOAL
· floating goal made of anodised aluminium
· size 90cm wide, 70cm high and 60cm deep

10655 UNDERWATER RUGBY BALL UWR
· the official UWR underwater ball
· must be filled with salt water



10657 UNDERWATER RUGBY GOAL
· synthetic goal with built-in weights
· per piece

80160 OFFICIAL FLOATING MINI-POLO GOAL
· offical mini goals for pupils
· made of thick walled aluminium profiles
· with of the goal can be easily adjusted:
120 or 200 cm width
· height 90 cm

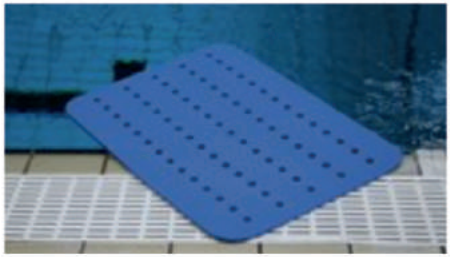
RUBBER FUN RINGS
· ultra strength, rubber fun rings made of 100% butyl rubber
· butadiende free material, with thiuram

10739 - 65cmØ
10740 -100cmØ
50255 - 135cmØ
50206 - 185cmØ

20170 DAN RING
· thick walled, seamless cast material
· wall thickness a full 4,0 mm
· tensile 700kg
· 95cmØ
· weight ca. 6 kg



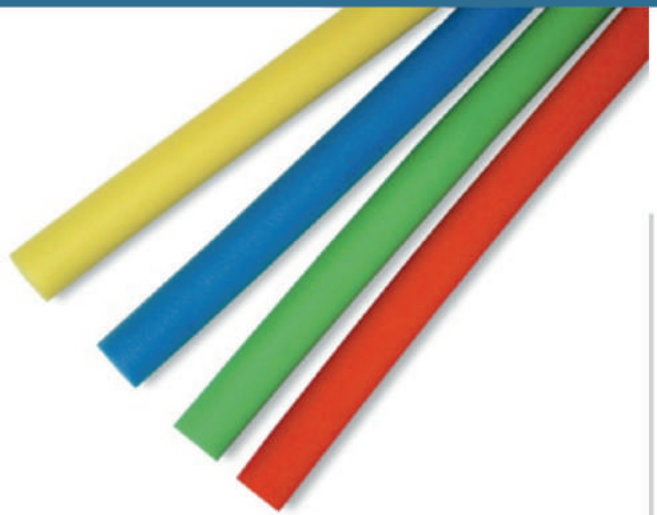
30729 FLOAT HOLES PLAY MATS
· made of unbreakable CL45 foam
· top and under side heat embossed; skin-friendly and durable
· holes provide intense contact with the water
· trapzium form
· 1000 x 735/500 x 14mm

PLAY RAFTS SUPER STRONG
· made in CL55 quality
· designed for long-lasting and intensive use
· with rounded corners for safety
· skin friendly

10743 JIVEBOARD
· PE-foam
· size 98 x 48,5 x 5,4 cm

SKIFLOTT
· 3 layers XPE with mesh reinforcement

39009 - size 260 x 90 x 3,5cm max 120 kg
39010 - size 260 x 180 x 3,5cm max 250 kg
39011- size 350 x 180 x 3,5cm max 420 kg
39012 - size 550 x 180 x 3,5cm max 600 kg



FLEXIBEAM POOL NOODLE
· super flexible foam cylinder
· length 160cm, dia. 67 mm

50320 per piece, loose
50320.24 per piece, 24 per box in 4 colours
50320.50 per piece, 50 per box in 6 colours

FLEXIBEAM CONNECTORS
· excellent for building water games, circuits, float channels rings
· endless combinations

80214 size S 140mm length
80259 size M 220mm length, with 1 cross-connector
80260 size L 320mm length, with 2 cross-connectors

65202 FLEXIBEAM CARRY BELT
· adjustable with quick-lock buckles
· for 20 flexibeams
